支援MyiLibrary的瀏覽器

- Chrome 2+
- Firefox 3+
- Internet Explorer 7+
- Safari 2+ (Macintosh)
- Safari 3+ (Windows)

建議的最佳使用情境： 最小1280x800解析度

1.操作介面

首頁

1. 登入個人帳密
2. 在平台進行搜尋
3. 瀏覽目錄清單

1. 當滑鼠移到封面上時會顯示內容摘要。

2. 點選“browse by Subject”可以看到完整清單。

1. 點選 „Browse all e-books“ 取得完整清單 (包含出版社和完整主題)。

2. 點選“Browse by Subject“ 從醫療主題清單中選取。

可以從特定次主題篩選。

The screenshot shows the Thieme website interface. At the top, there are navigation links for 'Help', 'My Account', 'Home', 'New Titles', and 'Logout'. A search bar is located in the top right corner. The main content area displays search results for the term 'Medicine', showing 1-10 of 389 results. The first result is 'Acupuncture for Insomnia', written by Montakab, Hamid, published by TIS in 2012. The 'Open Now' link for this result is circled in red. Below it are two other results: 'Atlas of Neural Therapy With Local Anesthetics' and 'Botulinum Neurotoxin for Head and Neck Disorders', both with 'Open Now' links. The left sidebar contains options to save the search, sort results, and filter by download availability or subject. The right side of each result card provides a description and related subjects.

The screenshot displays the FlySheet website interface. At the top left, the navigation menu includes 'Help' and 'My Account'. The 'My Account' dropdown menu is highlighted with a red circle and contains the following options: 'Login', 'Bookshelf', 'Saved Searches', 'Notes', and 'Settings'. To the right of the navigation menu is a search bar with a magnifying glass icon and a search button. Below the navigation menu, there is a banner for 'Medicine' featuring a row of book covers. Below the banner, there are navigation tabs: 'New Titles', 'Recently Viewed', 'Most Popular', and 'Browse by Subject >>'. The main content area displays a grid of book covers, including titles such as 'Rhinology and Skull Base Surgery', 'Otolaryngology - Head and Neck Surgery Series', 'Head and Neck Surgery', 'Chest Imaging Case Atlas', 'Endoscopic Sinus Surgery', 'Cosmetic Injection Techniques', 'Video Atlas of Intracranial Aneurysm Surgery', 'Decision Making in Spinal Care', 'The Essential Neurosurgery Companion', 'Head and Neck Cancer Recurrence', 'Chinese Herbal Medicine', 'Manual of Soft-Tissue Management in Orthopaedic Trauma', and 'Handbook of Middle Ear and Mastoid Microsurgery'.

在“Create an Account”輸入e-mail地址。

The screenshot shows the Thieme website's 'My Account' page. The page has a navigation bar with 'Help | My Account' on the left and 'Home | New Titles | Logout' on the right. The Thieme logo is in the top left, and a search bar is in the top right. The main content area is titled 'My Account' and contains three sections: 'Login to Your Account', 'Forgot Your Password', and 'Create an Account'. The 'Create an Account' section is highlighted with a red circle. It includes the text 'Please enter your email address and your account will be created. A confirmation email will be sent along with your password.' and a form with an 'Email Address' field containing 'maja.machmutow@thieme.de' and a 'Submit' button.

如何使用ebook全文

1. 瀏覽摘要：內容資訊、簡介、TOC、引用。
2. 點選“Open Now”可以閱讀電子書全文。

3.如何使用ebook全文

1. 可以使用左側的TOC或頂端的章節清單導覽網站。
2. 點選“Hide Menu”可以全螢幕檢視。

The screenshot displays the Thieme website interface for an ebook. The top navigation bar includes 'Help | My Account' and 'Home | New Titles | Logout'. A search bar is located in the top right corner. The main content area features the book title 'Teaching Atlas of Vascular and Non-vascular Interventional Radiology' by Brian Funaki, Jonathan Lorenz, and Thuong Van Ha. The left sidebar contains a 'Bibliographic Details' section with a 'HIDE MENU' button circled in red. Below this is a 'Viewer Tools' section with a 'TOC' tab and a 'Search' input field. A list of 20 cases is visible under the TOC tab. The main content area shows the book cover with three images: a CT scan of the head, a 3D reconstruction of the heart, and a CT scan of the abdomen. A navigation bar at the top of the book viewer includes a 'Cover' button, a 'Go To Page:' field, and a '150%' zoom level.

右上的按鈕可以放大、列印、存取圖片。

CASE 37

Clinical Presentation

A 69-year-old diabetic female had rest pain involving the right leg. She had a long history of peripheral arterial occlusive disease but had not had previous surgery. Her ankle-brachial index was 0.3. Physical exam revealed limb atrophy, decreased skin temperature, and rubor. She slept with the right foot over the side of the bed on the floor. She was referred for CT angiography (CTA) runoff.
